

Parna Das

Frontend & MERN Stack Developer

dparna28@gmail.com · +91 9432540084 · Konnagar, West Bengal, India · LinkedIn · GitHub

PROFESSIONAL SUMMARY

Frontend & MERN Stack Developer with hands-on experience in building responsive and scalable web applications using React.js, Next.js, JavaScript (ES6+), Node.js, Express.js, MongoDB, HTML5, CSS3, and Tailwind CSS. Currently working as a Trainee Software Engineer at PCS Global Pvt. Ltd. with experience developing reusable UI components, integrating RESTful APIs, implementing JWT authentication, and performing CRUD operations. Proficient in Git, GitHub, Postman, and responsive web design, with a strong understanding of frontend development, backend integration, and performance optimization. Passionate about writing clean, maintainable code and eager to contribute as a Frontend Developer or MERN Stack Developer.
